

Frequently Asked Questions

What can I donate?

You can donate most any vehicle, including cars, trucks, boats, motorcycles and recreational vehicles. They do not have to be currently running but must have an engine and be tow-able.

Is my donation tax-deductible?

Yes, Hunger Free Colorado is a non-profit organization and all donations qualify as a charitable deduction on your federal income tax return. The value is determined by the gross proceeds raised from the sale of the donated vehicle. You no longer have the burden of determining the value yourself.

What do I need to donate my car?

The title to the car must be in your name. We will also need some information about where the car is located and the condition of the car. This will assist us in scheduling appropriate towing arrangements.

Will you pick up my car?

A towing company will call you to schedule the pick-up of your vehicle within two to three business days. You will need to give the driver the keys to the vehicle, as well as your signed title. Special arrangements can be made if you are unable to be with the vehicle at time of pick-up.

How is the value of my car determined?

The IRS allows you to take a charitable tax deduction on your federal income tax form equal to the amount the vehicle sells for at auction unless it sells for less than \$500. If your vehicle sells for less than \$500 you may deduct no more than \$500. If your vehicle sells for more than \$500, you will need to include the IRS form 1098C, "Contributions of Motor Vehicles, Boats, and Airplanes". Vehicles For Charity will supply this documentation within 30 days after your vehicle sells. We recommend you consult your tax advisor with questions about your deduction.
